

XXIII International Russian congress

«Hepatology today»

March 23-25, 2018

“Borodino” hotel, Moscow, Russia

Preliminary programme as of 26.02.2018

Day 1 March, 23	
07.00 – 08.00	Registration
08.00 – 09.00	Scientific session: Epidemiology of viral hepatitis and other liver diseases in the Russian Federation
08.00 – 08.15	The problem of chronic hepatitis D in the Republic of Dagestan S. Magomedova and E. Arbulieva (Makhachkala, Russia)
08.15 – 08.30	Indicators of gastroenterological and hepatological mortality among the population of the Siberian Federal District V. Cukanov, A. Vasjutin, and J. Tonkih (Krasnoyarsk, Russia)
08.30 – 08.45	Chronic hepatitis C and kidney transplantation M. Zubkin, O. Arisheva, and I. Kim (Moscow, Russia)
08.45 – 09.00	Infection with hepatitis C virus genotypes 2 or 3. The doctor proposes treatment O. Znojko (Moscow, Russia)
09.00 – 10.30	Round table. Follow-up of patients with chronic hepatitis B in different clinical cases
09.00 – 09.30	Extrahepatic manifestations of chronic hepatitis C Clinical follow-up. Je. Vajcman (Haifa, Israel)
09.30 – 10.00	Severe somatic pathology and chronic hepatitis C Clinical follow-up. P. Tkachenko (Moscow, Russia)
10.00 – 10.30	Oncohematology and hepatitis C Clinical case. Je. Vajcman (Haifa, Israel)
10.30 - 11.00	EASL: Problem lecture Chair: C. Pavlov (Moscow, Russia) Liver cirrhosis and complications: Management of portal hypertension T. Sauerbruch (Bonn, Germany)
11.00 – 11.30	<i>Coffee break</i>
11.30 – 12.30	Clinical symposium The Cochrane Hepato-Biliary Group (The CHBG) Chair: C. Pavlov (Moscow, Russia)
11.30 - 11.50	Evidence-based hepatology C. Gluud (Copenhagen, Denmark)
11.50 - 12.10	Cochrane Systematic Reviews

	D. Nikolova (Copenhagen, Denmark)
12.10 - 12.30	Cochrane Systematic Review of Interventions and Systematic Reviews of Diagnostic Test Accuracy Studies. Examples. C. Pavlov (Moscow)
12.30 – 13.30	Clinical symposium Hepatocellular carcinoma: current diagnostic and treatment approach Chair: V. Ivashkin (Moscow, Russia) Hepatocellular carcinoma in modern world. Follow-up of patients with focal hepatic formations
12.30 – 12.50	The tumor identified for the first time. Differential diagnosis and follow-up of patients C. Pavlov and I. N. Tihonov (Moscow, Russia)
12.50 – 13.10	Hepatocellular cancer: current risk factors in the Russian Federation, model of medical care V. Breder (Moscow, Russia)
13.10 – 13.30	Liver transplantation for hepatocellular cancer. Experience of the Moscow City Center for Liver Transplantation M. Navruzbekov (Moscow, Russia)
13.30 - 14.00	EASL: Problem lecture Chair: C. Pavlov (Moscow, Russia) Carvedilol and other beta-blockers for treatment of portal hypertension in cirrhotic patients L.L. Gluud (Copenhagen, Denmark)
14.00 – 15.00	<i>Coffee break</i>
15.00 – 15.20	Prognosis of patients with chronic hepatitis C after successful antiviral treatment Chair: M. Maevskaya N. Gejvandova (Stavropol, Russia)
15.20 – 16.50	Clinical symposium: Liver and pancreas in focus
15.20 – 15.40	Liver and Nutrition M. Maevskaya (Moscow, Russia)
15.40 – 16.00	Little-known facts about NAFLD E. Shirokova (Moscow, Russia)
16.00 – 16.20	Modern guidelines for the diagnosis and treatment of exocrine pancreatic insufficiency A. Ohlobystin (Moscow, Russia)
16.20 - 16.40	Clinical demonstrations V. Ivashkin, M. Maevskaya, and A. Ohlobystin (Moscow, Russia)
16.40 - 16.50	Academician's comments. V. Ivashkin (Moscow, Russia)
16.50 – 17.20	Scientific session: Viral hepatitis and hepatocellular carcinoma
16.50 – 17.05	New immunological aspects of the treatment of chronic hepatitis C in the era of direct antiviral drugs

	O. Hohlova, L. Serebrovskaya, V. Makashova, and A. Rejzis (Moscow, Russia)
17.05 – 17.20	From chronic viral hepatitis to hepatocellular carcinoma - the cost of treatment A. Shaposhnikov, E. Dzhenkova, D. Pashhenko, A. Perfilov, and E. Jur'eva (Rostov-on-Don, Russia)
Day 2 March, 24	
08.00 - 09.00	Scientific session: Liver cirrhosis and transplantation Chair: L. Palgova (Saint-Petersburg, Russia)
08.00 - 08.15	Experience in the long-term use of everolimusum after liver transplantation O. Gerasimova, N. Marchenko, D. Granov, and F. Zherebcov (Saint-Petersburg, Russia)
08.15 - 08.30	Effect of endothelial dysfunction on diastolic function of the left ventricle in patients with cirrhosis of viral etiology T. Morozova (Yekaterinburg, Russia)
08.30 - 08.45	Experience of liver transplantation in Moscow City Center of Liver Transplantation, N.V. Sklifosovsky Research Institute of Emergency Care. M. Navruzbekov (Moscow, Russia)
08.45 - 09.00	Risk factors assessment for medicinal hepatopathies in pregnant women in the first trimester L.Pal'gova, M.Tarasova, and I. Borisova (Saint-Petersburg, Russia)
09.00 - 09.20	Problem lecture: Gallstone disease – practical guidelines M. Zharkova (Moscow, Russia)
09.20 – 10.50	Clinical symposium: One step to liver cirrhosis. Chairs: A. Kanbey (Magdeburg, Germany), Maria Zharkova (Moscow, Russia)
09.20 - 09.40	L-ornitine-L-aspartate in chronic liver disease. Pathophysiology and clinical presentation A. Kanbey (Magdeburg, Germany)
09.40 - 10.00	Fibrosis progression in different liver disease. T. Ermolova (Saint-Petersburg, Russia)
10.00 - 10.20	Role of the hyperammoniaemia and diagnostic approach in pre-cirrhotic patients S. Alekseenko (Khabarovsk, Russia)
10.20 - 10.40	Extrahepatic hyperammoniaemia as a cause of hepatic encephalopathy M. Nadinskaya (Moscow, Russia)
10.40 - 10.50	Questions and answers
10.50 – 11.15	<i>Coffee break</i>
11.15 – 11.45	Problem lecture: Autoimmune hepatitis and other immune disorders caused by immunooncologic drugs V. Ivahkin (Moscow, Russia)

11.45 - 12.15	Panel discussion: Liver toxicity M. Maevskaya (Moscow, Russia) and N. Geyvandova (Stavropol, Russia)
12.15 – 13.30	Clinical symposium Portal hypertension: thrombosis and bleeding
12.15 - 12.30	Risk factors for biliopathy associated with cavernous transformation of the portal vein: the first study in the Russian Federation M. Nadinskaya, D. Strelkova, K. Ul'janova et al. (Moscow, Russia)
12.30 - 12.45	Follow up of the patient with acute and chronic portal vein thrombosis E. Kicenکو, E. Fandeev, E. Kosakevich et al. (Moscow, Russia)
12.45 - 13.05	Infusion therapy in patients with decompensated liver cirrhosis and severe complications I. Kurkina (Moscow, Russia)
13.05 - 13.20	B-type natriuretic peptide as an indicator of hyperkinetic circulation in patients with liver cirrhosis K. Ivashkin, A. Driga, R. Maslennikov et al. (Moscow, Russia)
13.20 - 13.30	Questions and answers
13.30 – 14.30	Clinical symposium: Inflammation as a basis for complications of liver cirrhosis Chair: V. Ivashkin (Moscow, Russia)
13.30 - 13.50	The role of systemic inflammation in liver cirrhosis: pathogenesis and prognosis V. Ivashkin (Moscow, Russia)
13.50 - 14.10	Hyperammonemia and systemic inflammation in the development of hepatic encephalopathy M. Nadinskaya (Moscow, Russia)
14.10 - 14.30	Systemic inflammatory response, albumin and intestinal microbiota in liver failure M. Zharkova (Moscow, Russia)
14.30 – 15.30	<i>Coffee break</i>
15.30- 16.30	Clinical symposium: Alcoholic liver disease Chairs: M. Maevskaya and C. Pavlov (Moscow, Russia)
15.30 - 16.00	RSLS Guidelines Follow-up of adult patients with alcoholic liver disease V. Ivashkin, M. Maevskaya, C. Pavlov, Ju. Sivolap, V. Lun'kov, M. Zharkova, and R. Maslennikov Discussion and demonstration of a clinical case M. Maevskaya (Moscow, Russia)
16.00 - 16.20	Factors determining the long-term life forecast of a patient with alcoholic liver disease V. Lun'kov, M. Maevskaya, V. Ivashkin (Moscow, Russia)
16.20 - 16.30	Discussion

16.30 – 17.30	Clinical symposium Chairs: V. Ivashkin (Moscow, Russia) and A. Nersesov (Almaty, Kazakhstan)
16.30 - 16.50	Drug-induced liver injury B. Vincenzi (Rome, Italy)
16.50 - 17.10	Cholestasis of pregnancy A. Nersesov (Almaty, Kazakhstan)
17.10 - 17.30	Alcoholic liver disease M. Maevskaya and P. Tkachenko (Moscow, Russia)
17.30 – 18.30	Clinical symposium: Liver, heart and intestinal microbiome Chairs: V. Ivashkin and M. Maevskaya (Moscow, Russia)
17.30 - 17.50	Non-alcoholic fatty liver disease as a hepatic component of the metabolic syndrome M. Maevskaya (Moscow, Russia)
17.50 - 18.10	Liver and early atherosclerosis M. Shirladze (Moscow, Russia)
18.10 - 18.30	Pleiotropic effects of ursodeoxycholic acid in the treatment of non-alcoholic fatty liver disease and metabolic syndrome I. Pirogova (Chelyabinsk, Russia)
18.30 – 19.00	Chair: C. Pavlov (Moscow, Russia) Problem lecture: Liver and inflammatory liver disease A. Nersesov (Almaty, Kazakhstan)
Day 3 25 March, 2018	
08.50 – 10.00	Scientific session: Rare diseases in children Chair: T. Strokova (Moscow, Russia)
08.50 – 09.10	Wilson's disease: clinical polymorphism and genetic heterogeneity (clinical case) I. Tuluzanovskaya, N. Zhuchenko, M. Balashova et al. (Moscow, Russia)
09.10 – 09.25	Alpha 1-antitrypsin deficiency in children A. Zubovich, T. Strokova, E. Pavlovskaya et al. (Moscow, Russia)
09.25 – 09.40	Hereditary fructose intolerance in children T. Strokova, E. Vasil'eva, M. Bagaeva et al. (Moscow, Russia)
09.40 - 10.00	Problem lecture: New terms and potential treatment options in chronic hepatitis B I. Tikhonov (Moscow, Russia)
10.00 – 11.00	Clinical symposium: Nature as a source for drugs-1 Chairs: V. Ivashkin and M. Morozova (Moscow, Russia)
10.00 – 10.20	Spices are not only elegant taste... M. Morozova (Moscow, Russia)
10.20 – 10.40	Nutraceuticals and Nutraceutical Products A. Beniashvili (Moscow, Russia)

10.40 – 11.00	Preliminary results of the "Hepatosmart with liver diseases" observational program M. Maevskaya (Moscow, Russia)
11.00 – 11.30	<i>Coffee break</i>
11.30 – 13.00	Clinical symposium: Metabolic syndrome in gastroenterological and therapeutic practice Chair: V. Ivashkin (Moscow, Russia)
11.30 - 12.00	Metabolic syndrome and non-alcoholic fatty liver disease. Different sides of the same coin. V. Ivashkin (Moscow, Russia)
12.00 - 12.30	When "overweight" becomes "morbid obesity " V. Tsukanov (Krasnoyarsk, Russia)
12.30 - 13.00	The risk groups of non-alcoholic fatty liver disease development. Whom and how to screen E. Shirokova (Moscow, Russia)
13.00 - 13.30	Problem lecture: Chronic hepatitis C and comorbidity M. Maevskaya (Moscow, Russia) and I. Bakulin (Saint-Petersburg, Russia)
13.30 – 13.50	<i>Coffee break</i>
13.50 – 14.50	Scientific session: New diagnostic tools and prognostic models in hepatology Chair: E. Klimova (Moscow, Russia)
13.50 - 14.10	Antiviral treatment for chronic hepatitis C: close to victory S. Batskikh (Moscow, Russia)
14.10 - 14.30	Testing for the hepatitis C virus antigen – new diagnostic tools? E. Klimova (Moscow, Russia)
14.30 – 14.50	A new prognostic factor for survival in people with cirrhosis A. G. Mendez (Oviedo, Spain), E. Tsvetaeva and M. Maevskaya (Moscow Russia)
14.50 - 15.50	Clinical symposium: Nature as a source for drugs-1 Chair: V. Ivashkin (Moscow, Russia)
14.50 - 15.10	The activity of stilbenes and isoflavonoids of Amur Maakia S. Fedoreev (Vladivostok, Russia)
15.10 - 15.30	Natural antioxidants and their role in the treatment of liver diseases V. Ivashkin (Moscow, Russia)
15.30 - 15.50	Results of «The role of "Maxar" in treatment of alcoholic and non-alcoholic liver disease» observational program M. Maevskaya (Moscow, Russia)
15.50 - 16.00	Closing of the congress
16.00- 16.20	RSLS governing board meeting
